In Remembrance

Since the Massage News last went to press our dear friend Jay, husband of Regina Williams, Seattle, has gone to be with his maker. Our deepest sympathy to you , Regina, in your time of sorrow.

WE CANNOT THINK OF HIM AS DEAD,
WHO WALKS WITH US NO MORE;
ALONG THE PATH OF LIFE WE TREAD-
HE HAS BUT GONE BEFORE.

HEAD LINE OF NATIONAL CONVENTION

The best news is President Carlson again, Samuel Dahlgren, Sec'y-Treas: Next convention, Indianapolis , Indiana, with California undoubtedly next in line.

Our (Washington's) amendment on with drawal cards went through , Also the raise in dues. Beginning August 1958, dues will be \$24.00, with \$1500 belonging to the state and \$9.00 to the National. More details of all this will be in the next Masseur. Sounds like they had a very succesful convention back there in Pottsville Pa.

Pearl Hoppee went to Illinois after she was at convention here in Kennewick. That Pearl is the gaddinest Gal. More power to you Pearl. The rest of us would do well to pull our noses out of the treatment room and do a little gadding ourselves! See how the other half lives for a change.

Notice Spokane

A note from Pete Eitriem states that Spokane Chapter will be meeting about October 1, 1957. Check with your local officers for exact time and place .

Bertha Reager says, "I am feeling real good this summer, but not working very hard yet." We are so glad to hear this Bertha, You have been much in our thoughts and prayers.

A sassy little note from Mildred (Churchill) Kolbet has gotten results. She said "Two years a member-still no Pledge* no pledge, no dues! Fair enough?" Yes , Fair enough, Mildred. Now she has her pledge and I have her dues! Everybody's happy now.

Which brings to mind that I wish everybody's dues were as easy collected . Fifteen have paid their dues and thirty-five have not. Which group are you in?

PLEASE, PLEASE, SEND ME YOUR DUES TODAY IT WILL SAVE ME HOURS OF EXTRA WORK IN SENDING OUT MORE STATEMENTS.

THANKS LOADS!!! I KNEW YOU WOULD!!!

Our public relations officers have long stressed the need for Masseurs and Masseuses to take more active part in their community affairs . Heres one who has taken that advice. According to the Seattle Post, Milton Niedfelt was Chairman of the judging Committee for floats in the Capitol Hill "Festival of Flags" in the Seattle Seafair celebration.

Letter from Ermal Rothgeb asking for a withdrawl card. Sure hate to send it to her. According to the records in my office she was the third member in the State of Washington to join the A.A.M.M. Yours truely and husband owe their entire way of living to Mrs Rothgeb. She begged , bribed , Kajoiled and threatened, and last but not least , taught us the art of Massage. God Bless Her! She has earned her rest. Ermal, you will always be welcome at any of our meeting you can come to.

No Message from the President this month so we have had to go to press with out it. It is a hard job for our officers to keep all of the loose ends tied up. Please don't forget us for the November issue, Pete . People will get sick of my plaver pretty soon

No report from the local chapters, or from the Oregon chapter or from Mr Tyler, who was our western delegate to national convention this year.

Enclosed is the financial statement as given by the past sec'y treas. at the state convention here in Kennewick in June, 1957.
